Welcome to the Rotary Club of New Port Richey

June 15, 2011

Today we welcome Principal Meisner with an update on Richey Elementary School.

Last Week

Our program last week was the Group Study Exchange (GSE) Team from Australia. Meet the team leader, Robyn Lardner, a board member of Leadership Wimmera and the Royal Flying Doctor Service Victoria. She is a Rotarian and was awarded a Paul Harris Fellow for her leadership in community projects. Her personal interests include cooking, travel, reading, world affairs and the environment.

Team members include Anne Pett, Mary Raynes, Dr. Will Buchanan and Ann McDowell. They are a fun mix of individuals with Will (Sonny of Sonny & Cher) being the family man, Anne who loves tennis, Mary the avid traveller and Ann who has worked in many capacities in the dairy industry.

They said that Australians enjoy horse racing, cricket, net ball and Australian Rules

football.

They ended the program with a fun little game played with two coins. The winners were John Schneider, a football, and Gerry Parrish, the penny game.

We would like to thank the GSE Team from Australia for an interesting, informative and fun program. A book will be donated, in their names, to the PHCC Library.

Installation Banquet

The Installation Banquet will be held on Saturday, June 18th at Riverside (formerly Pappas) in Tarpon Springs. Cocktails will be served at 6:00 and dinner will be at 7:00. Dinner choices are Chicken Bruschetta, Prime Rib Au Jus or Grilled Mahi Mahi with Fresh Fruit Salsa. The cost is \$35 per person. The theme is nautical. This is always a wonderful night with lots of good food, fun and friendship. Let's all be there to see the swearing in of our new President, Don Cadle, and his new Board of Directors. Last chance to sign up!

NEW MEMBER PROPOSAL:

The following proposed members and classifications have been approved by the Classification Committee, Membership Committee and Board of Directors. If no written objection(s) to the proposal, stating reason(s), is received by the board within three (3) days of today, the proposed member shall be considered to be elected to membership in the indicated classification:

Joseph Kelly

Food Service - Groceries, Retailing

Chris Nocco

Law Enforcement / County Sheriff

Ryan Benjamin

Our very own Ryan Benjamin has been named the new Head Football Coach at River Ridge High School. Congratulations!

Rotary Camp Florida

Jim Harmon and John Pico, directors of Rotary Camp Florida, came to the meeting last week. They thanked the club for the grill and then thanked Dave Parris and Doug Benjamin for the work they have been doing on rebuilding an activity center. Doug and Dave have both donated a lot of time, stonework and ductwork for the building.

Revised Employee Travel Policy

Due to the budget constraints, the following policies are announced regarding employees traveling on official business. These policies are **EFFECTIVE IMMEDIATELY**:

LODGING:

All employees are encouraged to stay with relatives and friends while on business. If weather permits, public areas such as parks should be used as temporary lodging sites. Bus terminals, train stations and office lobbies may also provide shelter in periods of inclement weather.

TRANSPORTATION:

Hitch-hiking is the preferred mode of travel, in lieu of commercial transport. Luminescent safety vests will be issued to all employees prior to their departure on such travel. Airline tickets will only be authorized in extreme circumstances and the lowest

fares will be used. For example, if a meeting is scheduled in Seattle, but a lower fare can be obtained by traveling to Detroit, the travel to Detroit will be substituted for travel to Seattle.

MEALS:

Expenditures for meals will be limited to an absolute minimum. It should be noted that certain grocery and specialty chains, such as Hickory Farms, General Nutrition Centers, and Costco Club stores often provide free samples of promotional items. Entire meals can be obtained in this manner. Travelers should also become familiar with indigenous roots, berries, and other protein sources available at their destination. If restaurants must be utilized, travelers should utilize all you can eat salad bars. This is especially effective for employees traveling together - as one plate can be used to feed the entire group. Employees are also encouraged to bring their own food on official travel. Cans of tuna, Spam and Beefaroni can be consumed at your leisure without the unnecessary bother of heating or costly preparation.

MISCELLANEOUS:

All employees are encouraged to devise innovative techniques in an effort to save our budget dollars. One enterprising individual has already suggested that money could be raised during airport layover period, which

could be used to defray expenses. In support of this idea, red caps will be issued to all employees prior to their departure, so that they may earn tips by helping other travelers with their luggage. Small plastic roses and ball point pens will also be made available to employees so that sales may be made, as time permits.

FEEDBACK:

As always senior management is interested in your feedback on these proposals. Please e-mail them to head office and they will be carefully reviewed after we return from the senior management motivational retreat in Italy.

Late For Sunday School

A young boy came to Sunday School late. His teacher knew that he was usually very prompt and asked him if anything was wrong. The boy replied no, that he was going fishing but his dad told him that he needed to go to church.

The teacher was very impressed and asked the boy if his dad had explained to him why it was more important to go to church than to go fishing?

The boy replied, "Yes he did. Dad said he didn't have enough bait for both of us."

Student Honors Schools

Bruce Mills not only went to the Student Honors Banquet on May 3rd, he paid attention to what schools the students were planning to attend. With out of state tuition on the rise, not surprisingly most of the students were going to Florida schools. Here's his list of the students who attended the banquet and where they applied:

Florida Schools

- 11 University of Florida
- 7 Florida State
- 6 University of South Florida
- 2 University of Central Florida
- 2 Pasco-Hernando Community College
- 1 Miami
- 1 University of Tampa
- 1 Florida Atlantic
- 1 St. Pete College

Out of State (1 student to 9 schools)

- Sussex, England
- Carnegie Mellon, Pennsylvania
- Dartmouth, New Hampshire
- Princeton, New Jersey
- University of Texas
- Kennesaw State, Georgia
- Bellmont, Tennessee
- Franciscan, Ohio
- Bowdoin, Maine

Three of 44 students did not attend the banquet. One student didn't say his choice and one had two choices.

Red Bowls

PUT YOUR CHANGE IN THE RED BOWLS. Our goal is to raise \$2,000 to help towards the fight against polio. We are currently at \$1462.25, and quite away from meeting that goal, with just a couple of months to go. The note on the bowls says, "Small change, for a big change." So, dig in your pockets and pull out some change for a good cause.
